

## Fundraising

Fundraising is a vital part of the success of NLCS. Special projects and campus improvements are made possible, in part, by our fundraising efforts. As part of the NLCS enrollment agreement, a \$500 fundraising commitment is required of each of our enrolled families (the commitment is NOT compounded for multiple students) for the school year. There are a variety of ways you can meet your annual fundraising goal.

**Personal Payment** – If you prefer, you may simply pay your fundraising commitment outright.

**Monthly Tuition Add-On** – NLCS allows your fundraising commitment to be added to your monthly tuition for an additional \$50/month for the 10 months of the school year (September – June).

**Participation in Fundraising Activities** – Throughout the year, NLCS will provide several different options for fundraising. Participation in these activities provides students an opportunity to pay off their fundraising commitment through fun and easy activities such as candy bar sales, sponsorships, and donations. Opportunities vary annually and every effort will be made to ensure the fundraising goal is obtainable by each student and family.

Any remaining balance of the fundraising commitment is due on June 1.
